## \*Free-time Fun:

**Younger kids:**

Put students into small groups and give each group different things to play with (e.g, paper and pencils, play-doh, building blocks, box of toys, puppets, etc.). As students are playing, circulate and join in, using Spanish to ask questions and chat.

**Older Kids:**

Do the "Post-box" activity: Have a "Post-box" in the classroom (a box with a letter hole). Assign students a pen friend (another student in their class or even from another class). Each week, have your students write and post a letter to each other and then reply (and post again). This is a really fun and meaningful writing activity.
